## Beyond Susan G. Komen

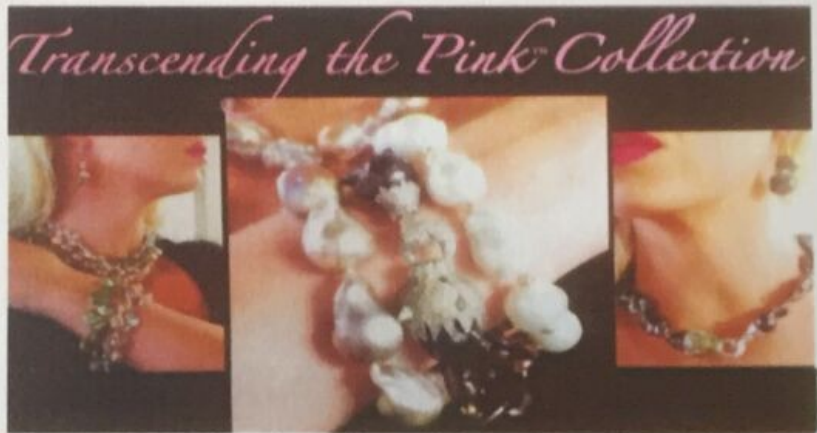

### NON-TOXIC HOLISTIC TREATMENT FOR BREAST CANCER

Edna Benziger RRT, BA, MS is the Founder and Director of *Transcending the PINK.org*, designer of her Heart Jewelry Collection "PEARLS WITH PURPOSE," three time Breast Cancer "Transcender" and Concierge Coach, educator, speaker, author, photo-journalist, Integrative Medicine Consultant, and marketer for the internationally awarded "best nutraceutical in the world," LIQUID COLLAGEN BIOCELL ([www.Jurusu.com/Benziger](http://www.Jurusu.com/Benziger)).

Faculty of Education Graduate of McGill University, Honorary Masters from HOLOS University Graduate Seminary plus 7 years of Doctoral studies in Energy Medicine and Spiritual Healing and more than three decades of combined healthcare, teaching and coaching experience complemented by her own "Transcendent" BRCA2 genetic Breast Cancer healing journey qualifies Edna as truly the expert in Integrative Energy Medicine for Breast Cancer.

My mission is to support Research and Education for the PREVENTION and HOLISTIC healing of BREAST CANCER and to subsidize costs for modalities and nutraceutical products through the marketing of my PEARLS WITH PURPOSE collection and other fundraising efforts. I am collaborating with other like-minded foundations and organizations by offering my Collection for fundraising and custom designing.
